

WHAT IS SOCIETY LINK?

Society Link is an initiative to support Conference members supporting people in their communities.

HOW CAN SOCIETY LINK HELP ME?

For some members of our community getting the support they need may take extra time and resources.

Society Link can assist the work of Conferences by making it easier for you, and the people you support, to access information and discuss solutions including how to navigate the vast array of support opportunities within the St Vincent de Paul Society NSW. We can also assist with any child safety concerns.

Together we can offer a hand up.

WHEN SHOULD I CALL SOCIETY LINK?

There are many reasons to call Society Link. Some reasons may be:

- I am supporting a person who needs assistance with financial planning
- I am supporting a person who is having trouble paying rent
- I am supporting a person who frequently seeks support from the Conference
- I am concerned about a child's safety
- I am supporting a person who needs accommodation tonight
- I am supporting a person with an unusual request
- I would like a second opinion.

WHAT HAPPENS AFTER I CALL SOCIETY LINK?

Society Link will make a referral to the most appropriate service.
