

An Advent Blessing

May there be harmony in your relationships
And may your kind words and acts be rewarded.

May you receive love generously
As you have given it so freely.

May each person who comes into your life
Be greeted as another Christ.

May every guest who enters your presence
Give you the respect and honour you deserve.

May the hope of this Advent season settle
within you and enliven your spirit.

May your family and friends be especially
Blessed at this time.

May you realize daily the gift of your person
and reflect the hidden treasures in your lives,
for which our staff are grateful.

May the coming year be one of good health for you
filled with energy and vitality

May you keep your eye on the star within you
and may this Luminescent Presence guide and direct you always.

All: Amen
