

Make a difference in your community

Volunteers are the heart of our workforce. Since 1833, the St Vincent de Paul Society has been helping people in need and when you volunteer your time with Vinnies you're making a big difference in the lives of people who need it most.

Make a difference to you

We work hard to ensure your volunteering experience is a rich and rewarding one. You will benefit from feeling:

- good about yourself when doing good for others
- happier and healthier by giving back to the community
- a sense of belonging and purpose working with like-minded people.
