<https://mavs.vinnies.org.au/>

Our new public **Member and Volunteer Website** is a great place to direct new potential Member and Volunteers to find out more about the Society and the opportunities we have available (*Fig. 1*)

Resources, news, articles, and some events will be accessible, as well as pages that contain an overview of Membership and Volunteering.

As a Member or Volunteer, once you have logged in to the website you will be able to search and view the full range of **Resources**, **News**, **Articles**, and **Events** as well as access your account (*Fig. 2*)
