

WOLLONGONG MILLER ST WELFARE CENTRE CONFERENCE

SUMMARY OF CONFERENCE IMPACT

2022 – 2023

MESSAGE FROM THE STATE PRESIDENT

Dear Christine

I am delighted to share with you the latest 'Annual Report on Conference Impact' for your Conference. The sharing of these reports began in 2021 and received positive responses, resulting in the continuation of this initiative for 2023 and beyond.

The report showcases the impact your Conference has been able to make in the community through the good work of members whose efforts are greatly appreciated. As members carrying out the Vincentian ethos, you understand the importance of demonstrating a spirit of compassion, hope and love to people facing hardship. This Report quantifies the material impact your members have been able to make in the lives of the disadvantaged and also speaks to the emotional impact made in restoring hope and giving voice to those who have been marginalised. I trust and pray that this report inspires you to keep helping others to transform their lives.

With much gratitude

Paul Burton
STATE COUNCIL PRESIDENT

MESSAGE FROM THE CEO

I'm pleased to share this summary of the impact of the good works undertaken by Conferences in 2022-23, including information on the people we assisted and the ways in which we did this.

Despite the challenges faced in 2022-23, members of the Society made a tremendous impact to assist the most vulnerable members of our communities. 3939 members made 14,880 visits to homes, hospitals, aged care facilities and prisons to offer care and assistance across NSW. Members assisted 88,256 people and delivered \$13,656,509 worth of food, energy assistance and other cost-of-living relief.

Significantly, members acted as a light of hope for people who feel alone in the darkness of their hardship.

I look forward to working together as we make a greater impact for the people we assist through your good works as we strive to shape a more just and compassionate society.

EMBRACING COMMUNITY SPIRIT: THE 'GREEN TEAM' INITIATIVE

In a fast-paced and disconnected world, the 'Green Team' is sowing the seeds of community engagement and compassion.

Comprising dedicated individuals, this team embarks on a monthly mission to volunteer in diverse community settings, from individual homes to social housing and over 55 complexes. The primary objective extends beyond altruism; it serves as a unique form of home visits, fostering connections and providing support. Having successfully completed this initiative throughout the past year, the 'Green Team' is a shining example of how small acts of kindness can make a significant impact, weaving a tapestry of solidarity within the fabric of diverse communities.
