### No compliance learning in your account

If you find once you have logged in and navigated to your training page and don't see any compliance training (**Code of Conduct, Child Safe Learning, Safety induction and privacy and Confidentiality**) this means that you may have 2 accounts. One with an old email that you may have used to completed learning in our old system. If this is the case, please email <u>mavs.support@vinnies.org.au</u> and we can get this this fixed and the correct learning allocated.

### Reminder to log in to the website to find resources

If you can't see certain resources or news articles on the Member and Volunteer Website it maybe that you haven't logged into your account. Due to privacy, we have most of our resources hidden from the public site and are accessible once logged in.

### Need to update Email or Mobile number

Please email <u>mavs.support@vinnies.org.au</u> to have your mobile or email address details updated. This is because we use a 2-factor authentication security to protect your information. Our team will confirm once updated to make sure you can log in.
