

Quotes from Frederic Ozanam to reflect upon

“You are our masters, and we will be your servants. You are for us the sacred images of that God whom we do not see, and not knowing how to love Him otherwise shall we now love Him in your persons.”

“There are two reasons why we join together ... Number one is, that by drawing closer to the poor, we draw closer to God ... My second reason is, that our membership in such a union will bear silent and humble witness to the faith that is in us...”

“What counts in the end, plainly, is not only the quality of the service to the person in need, but the personal and self-giving component of that service.”
