VINNIES IS HERE TO HELP

Vinnies is here to help local communities impacted by the floods.

RECOVERY CENTRES AND FINANCIAL GRANTS

Vinnies is operating from Recovery Centres in Lismore, Casino, and Ballina to distribute emergency grants and everyday essentials to ensure people have what they need in the short-term.

Financial grants are being provided to flood-affected residents depending on criteria including the level of damage their property has sustained, the size of the family, and insurance status.

Contact points for provision of financial grants and direct flood assistance can be found at:

Lismore Recovery Centre – Southern Cross University – V Block

Casino Recovery Centre – Casino Community and Cultural Centre, 35 Walker St, Casino

Ballina Recovery Centre – Ballina Surf Club, Lighthouse Beach Parade, East Ballina

Please note to be considered for an emergency grant, a face-to-face meeting with a Vinnies member is required. For most people in flood-affected areas, these applications will happen at one of our Recovery Centres listed above. In the event you have been impacted but have temporarily moved away from a flood-affected area, there are Vinnies Conferences throughout the state that can assist.
